It's been a long ride. We were the last graduating class of BMS. There have been so many success stories in our senior year. The road to Gillette was an emotional journey. A close game against Everett in the snow led us to an undefeated season in Red Raider football. You know what they say, first is the worst, second is the best. A small volleyball setback (a loss to Newton North) drove the volleyball team to their 15th State Championship. The Barnstable Band won the National Competition of Spring 2012. What's going on in the world? In the land of sports the Giants won the World Series, Ray Allen (former Celtic) now plays for the Miami Heat and the Patriots are as of now 9-3. What about the Bruins? Well let's just say they are "locked out" lol. Obama was re-elected. The young Democrats and Republicans of BHS debated the issues. TWINKIES ARE FOREVER GONE! :((Let's hope Donald Trump buys the company, what will we do without all that trans fat?!) haha. "I sit, and wonder why-y-y-ooohh why, you missed me, oh Sandy"

#HurricaneSandyProblems. Right now we are in the running for a \$50,000 Clorox grant, pursued by the always-looking-for-more-projects-to-make-Barnstable-better Mr. Gyra. We couldn't have been successful as a class without Mr. Nugnes, our fearless and energetic advisor for 6 years. As we move on to a new part of our life, the Class of 2013 will always be connected by a bond that nothing can break.

BHS Retirees

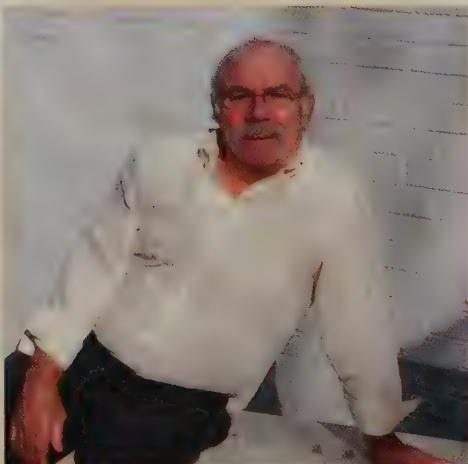

Virginia Eshbaugh- Mrs. Eshbaugh, I have known you for over the past twelve years. In that time, you have been a very sweet and personable person. When anyone needs help with locating a book within the library here at BHS you were able and happy to assist anyone in doing so. Or how about when we work on a research project, I can always count on there being a cart full of books for our use. Congratulations on your retirement!

-Henry Ramage

Patricia Scandurra- Ms. Scandurra is a teacher that I will surely never forget. She is a genuinely kind and an extremely influential person. "Scanny" has affected so many students over her years at BHS. She truly cares about her students and makes every effort to make school more enjoyable. We will never forget the time spent in her class and will always appreciate her hard work, dedication, and kindness. We wish you the best of luck.

-Tory Hitchcock

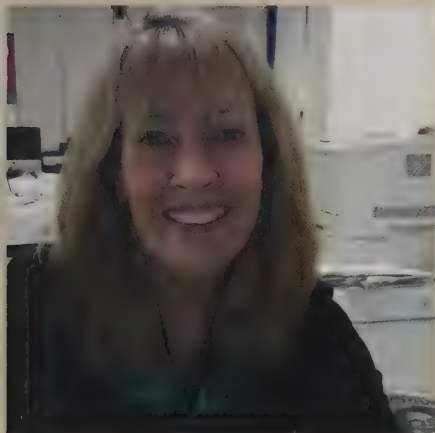

Ralph Miorandi- Mr. Miorandi, what can I say other than you are a fabulous man and a great teacher. We'll never forget that crazy, happy, little man rolling around on his Razor scooter or the zip-line that our class broke. You never fail to bring joy to everyone you grace with your presence. Thank you for all you have done for us over these past years. Enjoy your retirement!

-Alyssa Tavares

Adele Golden- For the amount of time Madame Golden has been teaching at BHS, she hasn't left one student's life untouched. She is very dedicated to her students and works endlessly to help them see her love of foreign language. Madame always has the best stories to tell and makes school slightly less painful. With a constant smile on her face, Madame is one of the most understanding and pleasant teachers at BHS. You will be loved and missed, we wish you luck in your future.

-Tory Hitchcock

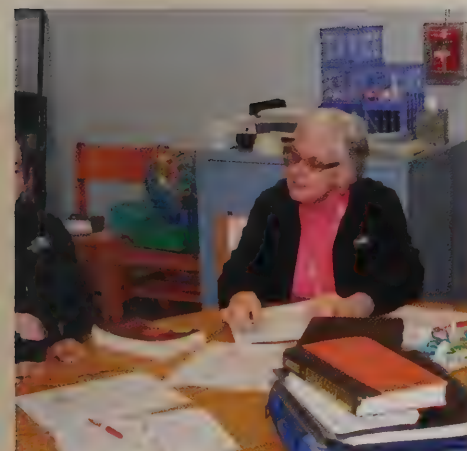

Lee Weill- Mrs. Weill, to summarize her is far too difficult in few words. An amazing instructor, inspiring artist in every aspect (painting, drawing, and of course graphic design). So much of her life has been selflessly given to better our countries future by educating all of us attending Barnstable High School. From the entire staff, scholars and fellow creativity lovers, thank you Mrs. Weill.

-Moriah S. Daviesson

Michael Sullivan- Thank you for being an understanding house master. Throughout my four years in Barnstable you have taken measures to help me and assisted me in reaching my full potential. Knowing that you know my family, made me like I could go to you if I had a problem, or didn't feel safe. Thank you for everything.

-Bianca Lemos

Mary Anne Farley- We've known you for many years, and you haven't changed a bit. Whenever we see you in the halls you still have that friendly smile and always say hello. It may seem like something small, but it makes our day. Thank you for challenging us to work above and beyond my level. You're such a great influence and We'll never forget what you have taught and all you have done for us. Thank you! Enjoy retirement, you deserve it!

Farewell My Friends

I still can't believe how fast six years can go by. Not many teachers have had the opportunity to follow a class for as long as I have had the pleasure of doing with you. Looking back over these past 6 years, I couldn't think of a better group to have wasted my time with. Class of 2013 YOU ROCK!!!

Class of 2013, you will be remembered. Remembered for being the last 8th grade class to go through Barnstable Middle School, for being the last class to have a 7th and 8th grade loop. Remembered for being the first class to have beaten the teachers of BMS in the annual Faculty Basketball Game. Remembered for the tight nit group you all are as friends. Remembered for your reservations about school dances. BMS canceled 4 or 5 dances during your time in middle school. Remembered for experiencing the Chen dynasty. Remembered for achieving excellence and being the last undefeated Middle School Football Program in Barnstable. You will be remembered for being leaders in your community; participating in Coastal Sweep beach clean ups, initiating the first recycling program at BMS and sponsoring families in need during the holiday season. You will be remembered for the way you support each other when a classmate needs to be picked up or embraced. Students of Gold Team II you will always have a special place in my heart. There is no comparison from your class to the rest. You are simply the best

Four years ago I was given the gift to not only following this class to the high school, but to become your advisor. I said yes without hesitation. If you really knew me you would understand that it is because of this class that I love my job and I love being an educator in the town of Barnstable. You have all grown and matured into young adults with promising futures. You are polite and respectful in your classes and to your peers. You take life and school seriously and lead those students in lower grades to follow your lead. You excel on the game fields and in athletics because you understand the value of hard work and dedication to teammates. You care about a better school; you challenge your classmates to tolerate each other and to coexist. You are great citizens of Barnstable and strive to make your community a better place. You also comprehend that life is too short and do not take yourselves too seriously all the time. You do know how to unwind and have fun. Aint that the truth!!!!

Class of 2013 what a long strange trip it's been. Farewell my friends. Go out and take on the world. Follow your heart and you'll never go wrong!

May the road rise to meet you,
May the wind be always at your back,
May the sun shine warm upon your face.
And, until we meet again,
"LIVE THE MOMENT!"

Class of 2013

The Leadership Team at Barnstable High School is proud of this senior class. Every step of the way, you have lived by our core values of dignity and respect. Your academic achievement, college acceptances and workforce readiness rival that of any school in the Commonwealth.

While pushing yourselves to be great, you always remembered your goodness. Our school, community and world are better for it. You have been role models for future Red Raiders, which will forever be your greatest gift and legacy.

Ms. Mitchell was a wonderful teacher with a lot to offer. She took personal interest in us as well as the activities in which we participated. She made sure to attend football games and other events in order to show her full support. Ms. Mitchell made every day in homeroom a positive and enjoyable time together. There was never a day where she entered into the classroom without a smile. Ms. Mitchell was the life of our homeroom and will not be forgotten. As we graduate this year we will carry the memory of her and everything she did for us in our hearts.

We will miss you Ms. Mitchell

OUR APOLOGIES

The Barnacle staff and Mrs. Swindler would like to apologize for any misprint, misspelling, misplacement and/or any other mistake we may have made in the production of the Barnacle 2013. We meant no harm and we hope you accept our deepest, most heartfelt apology for anything done inadvertently.

OUR GRATITUDE

There are so many people who help to make the Barnacle a reality. We must begin with the Administrative assistants Mrs. Dutra, Mrs. MacFarlane, and Mrs. Kipnes, you are the shining light when we have lost our way and don't know the names. Of course Mrs. Dumas, Mrs. Kelley, Mrs. Kingman, Mrs. Lopes, Mrs. Carvohlo, Mrs. Crosby, Mrs. Noreen Jones, Mrs. Beckwith and Mrs. McDonald-thanks for always helping find those missing seniors. Mrs. Cugini deserves a special "shout out" since she gets us so many team pictures. Thanks to Kat Schmidt for sharing your skillful candid photos of sports and so many other events. We would also like to thank the leadership for your support of Barnacle 2013 and the Yearbook class. Life lessons are best learned while living. Thanks for allowing that to happen here at BHS. Finally to all the families, businesses and BPS individuals who continually support the production of the Barnacle; we could not do it without you.

OUR HISTORY

The first Barnacle was published in 1934. The advisors in the past 25 years include: Mabel Bendicksen ('85/'86), Peg Regan ('87/'88), Betty Smith ('89), Edward O'Toole ('90-'04) Katie Carey ('05/'06), Christy Salley ('06) Edward O'Toole ('07-'10) and currently Martha Swindler. The Barnacle Yearbook was named for the mollusk barnacle, which permanently attaches itself to its host. We hope this Barnacle keeps you permanently attached to your Barnstable roots.
